It will be seen by the above that one democrat, Wm. J. Brown, Esq. has been elected to the Legislature and one whig. Although the local offices are filled by whigs, they are of the independent and moderate class, and were elected in opposition to the regularly nominated whig ticket.

THE ELECTION.

The election in this State is over, and from the returns received, the Democrats, aided, it is said, by the independent whigs, have carried it. This recrats appeared to be somewhat disheartened by tle exertion was apparently manifested to secure a . triumph of their principles. The failure of the federal leaders to meet a tithe of their promises made last year, connected with their daring and hypocritical course since their accession to power, has wrought calmly but effectually to open the eyes of the profligacy of our federal leaders threaten us. always act thus independently. These are no times istocratic principles, as to insure the succession to take the word of an interested office seeker, more the bank wants, and through the editor of the Govern- TWENTY MILLIONS OF DOLLARS, which directors of the State bank may select; provided especially if he belongs to that aristocratic class | Farmers, Mechanics, Laborers, which side will laborers, and mechanics could do a great deal to- present. Following in his wake, and ex-2,174,137 86 tolling him to the skies! We are not estonished 600,000 co that Mr. Rives should accuse him of paltering with 789,310 00 them in a double sense; of keeping the premise to

the car while he broke it to the sense. We will propose a question to Mr. Clay and his 63,000 00 satellites on this subject; and shall be glad to hear a reply from some of our whig cotemporaries in this 8,000 00 State who are so clamorous for a National Bank.

ARTICLE 10, Section 1, of the Constitution of In-1.900 co diana, is as follows:

"There shall not be established or incorporated, in this State, any bank or banking company, or moneyed institution, for the purpose of issuing bills 12.000 00 of credit, or bills payable to order or bearer: Provided, that nothing herein contained shall be so construed as to prevent the general assembly from esat Madison, shall be considered as incorporated banks, by the legislature of the Indiana territory :

Will not the people of our country open their According to the Constitution, it will be some eleven years before that instrument may be amended. Now will they tell us that any power on earth. much less the directors of a bank, can establish a not the least do with the articles published; but vide what they have equally among their creditors, and not for the honest people who carried them infect is our Constitution or our laws! Would not EVANSVILLE, AUGUST 4, 1841. this in effect be a long stride towards, or a perfect, In the Senstorial District composed of the coun- consolidation of powers in the General Government! the district. Local considerations however, induc- ple do their duty by coming up to the mark and ed some of the democrats of Posey to oppose Mr. crushing these violations of the Constitution in their
